MEETING AND SURPASSING THE CHALLENGES OF A
MODERN FORENSIC SCIENCE WORLD

EARLY BIRD REGISTRATION NOW OPEN!

This provides those who know they will be attending the opportunity to receive an additionally discounted registration rate rather than the typical pre-registration rate.

Not all scheduled sessions will be finalized at that time, but you will be able to add an event(s) to your registration at a later date.

We encourage you to take advantage of the Early Bird discount.

The 2022 conference will be a hybrid event, so people who wish to attend in person can, and those who cannot may attend virtually.
