

Training Seminar Steering Committee

Mission

- To assisting past, present, and future Host Committees with information and past practices to better facilitate a successful training seminar from the planning stages through the final close-out.

Duties/Responsibilities

- Responsible for the continual updating of Training Seminar information, accounting practices, logistics, and all other nuances associated with the annual Association of Firearm and Toolmark Examiners Training Seminar.

Current Activities

- Reorganization and updating the current documents.
- Moving this into an easier accessed area in the forum.

The AFTE Training Steering Committee will be comprised of the Chair of this committee, the chair/co-chairs from the most recent two AFTE Annual Training Seminars, the chair/co-chairs of the upcoming AFTE Annual Training Seminar as well as any other members as designated by the chair.
