

Technical Advisor Committee

Mission

- To be an advisory source to the Board of Admissions on applications for Technical Advisor status.

Chairperson - Duties/Responsibilities

- Coordinate the application review process and make a final recommendation to the Board of Admissions via the Membership Secretary.

Committee Members - Duties/Responsibilities

- Aid the Board of Admissions by evaluating new applications received by the Membership Secretary for Technical Advisor Membership and offering a recommendation to Chairperson of the Committee. Applications for membership renewal are reviewed by the Board without Committee input.
- Identify individuals in industry who have specialized knowledge of the manufacturing processes and/or products encountered in the investigation of firearm or tool mark evidence, or in closely related fields, whose area of expertise would be beneficial to the Association.
